

Puppy Weekly

Jan 24, 2025

ASK YOUR CHILD ABOUT:

- What are the five senses?
- What did the professor bring into smell?
- What is the letter of the week?
- What did we learn about our sense of smell?
- What is the black part of your eye?

It is great fun to learn about our senses and how they work. First, we talked about our sense of smell. The professor had baggies of good and bad smells. The children were blind folded. They used their sense of smell to figure out what the items were. Lastly, we discussed the sense of sight. We discussed how our eyes are like cameras always taking pictures. We will finish up our senses next week.

* **Feb 14th Valentines party** A class list will be sent home next week to help you fill out Valentines cards.

* **Don't Forget to make a Valentine Box**

Here are some upcoming dates to put on your calendar:
