

Busy Bee Times

Aug 25, 2022

ASK YOUR CHILD ABOUT:

What makes us different from each other?

What is the letter of the week?

What did we do with Playdough?

What is your favorite color?

We had fun finger painting our bees yellow. We hung them outside on the wall. I love how each one turned out different just like each child is special.

Here are some upcoming activities. We have been playing with Play dough and learning how to cut it with scissors. In addition, we have been learning how bubbles are made. We had a great time blowing bubbles.

The children have been doing a great job with their names. We are doing a lot of activities with name recognition. This is a skill they will need to be successful in Kindergarten.

I hope you have a great weekend.
