

Puppy Weekly

Aug 26, 2022

ASK YOUR CHILD ABOUT:

- What did we paint with?
- What story did we read?
- Who is one friend they met this week?
- What was one activity they enjoyed?

I am so proud of the boys and girls this first week of school. All of them were very eager to learn and try new activities. They can get a magic skittle when you do an extra difficult activity or are extra good you can earn one.

Some of the key skills that will be emphasized throughout the year in Preschool are: 1) following directions, 2) writing their name, 3) taking responsibility for their actions, 4) counting to 100 and 5) recognizing their A, B, C's. This is only the tip of the iceberg. There are so many skills that I can't list them all.

On Friday, I will send home the snack bucket. It will be for one day of the following week. Please provide enough snacks to feed **12 children**. The snack bucket will be coming home to you. We are doing a fun thing with it. **The snack will go along with the Letter of the Week.** Ex. A-apples, B-bananas, C-cookies, etc. This is a great way to be creative and fun. If you needs some ideas just ask me.

Plus, I will send a homework pack every Friday. If the children return it the next week (3 weeks in a row) they will get a special surprise. This is to encourage the children to be responsible. We are transitioning them to giving us stuff from their book bag.

Here are some upcoming dates to put on your calendar:

- *No School on Monday (Sept 5th)
- *Happy Summer Birthday to Damian and Keegan!
- ***Apple Orchard Trip.** (Sept 20th)

NEXT WEEK THEME

Dinosaurs

SNACK BUCKET

Monday- Andrew
Wednesday- Kyle
Friday-Owen

Tuesday- Harley
Thursday- Maribelle

STAR STUDENT

Damian
