## **ASK YOUR CHILD ABOUT:**

What did they do with their dinosaur eggs?

What shape did we paint?

What is your favorite dinosaur song?

This week we continued talking about dinosaurs. The children were fascinated by the different armor that dinosaurs used to protect themselves. We painted our dinosaur eggs and then cracked them open. We made them with lots of love and care.

The field trip to the nature walk will be Thursday September 22<sup>nd</sup> and we will be looking for signs of Fall. Please dress your child in the Black T-shirt that I sent home. Anyone is welcome to come on the trip. I will drive the children in the white van for those who don't have someone coming with them. Please leave your child's car seat when you drop off your child on the 22<sup>nd</sup>.

Have a relaxing weekend!

## **Here are some upcoming dates to put on your calendar:**

**\*Nature Walk** (Sept 22<sup>nd</sup>)

Happy Birthday Atticus!!!

Tuesday- Isaac

## **NEXT WEEK THEME**

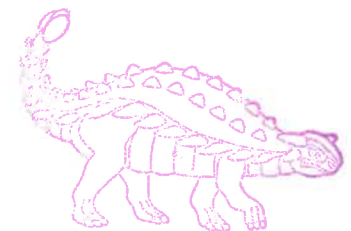

Pets(A)

## **SNACK BUCKET**
